Client Information

Confidentiality

Whilst, confidentiality is given the highest priority, I will usually ask you for permission to contact relevant professionals, usually your GP and, in respect of young people, their educational setting. The only exception is when there is risk of serious harm to yourself or others. Wherever possible any such disclosure will be discussed with you first.

Fees

Fees will be discussed on an individual basis before commencing therapy.

Payment

Payment is to be received within 14 days of date of invoice.

Cancellation of Appointments

Please give 48 hours notice if you wish to cancel or re-arrange an appointment. If you give less notice, or simply do not arrive, you will be charged for the appointment.

Letters and Reports

A brief letter will be sent, with your permission, to your GP and to other relevant professionals with your agreement e.g. teacher.

A full psychological report can be prepared at additional cost and is likely to include details of the psychological problem(s), intervention or therapy plan and any other recommendations.

If we are unable to work together for any reason, I will do my best to suggest an alternative therapist.
